

COVID-19 Protocol 2021-2022

Dear Students and Families,

Help keep our community safe while having fun on the slopes! Below is the 2021-2022 COVID-19 Protocol. We ask for your cooperation in complying with requirements.

The Rokka COVID-19 Advisory Committee will monitor the local COVID-19 situation and may update information in this document accordingly. In addition to Rokka's protocol, all participants must follow the protocol at Summit at Snoqualmie and governmental agencies.

General Rules:

- All students 12+ years of age must show proof of vaccination or a weekly negative COVID-19 test (see attached chart on page 2 for specific requirements and verification process).
 - Students under 12 years of age will not be required to show proof of vaccination or negative COVID test within 72 hours prior to each lesson, and must wear a mask. Subject to change based on FDA approval of child vaccination.
- **Masks are required at all times**, except while actively skiing. N95, KN95, surgical masks, or multi-layer cloth masks are required.
 - Masks with exhalation valves or vents, neck gaiters, and bandanas are not acceptable facial covering.
 - For more information about CDC recommended masks please visit the [CDC's Guidance for Wearing Masks page](#).
- Parents must wear masks during drop-off and pick-up from lessons.
- No students or families are allowed to enter the Rokka Chalet.
- Rokka will not be providing hot chocolate.
- Surgical masks, hand sanitizer, and water bottles for students will be available.

If you have any questions or concerns, please contact:

Requirements for Participation in Rokka Events (Clinic, Class, In-Person Activities)

All instructors, cadets, and students over the age of 12 must be fully vaccinated against COVID-19 or present a negative PCR COVID-19 test at the beginning of every in-person event. **Individuals who do not adhere will not be allowed to participate.**

	Requirements for Participation	Vaccinated By*
Instructors/Cadets	<u>Vaccinated:</u> 2nd dose of Pfizer/Moderna or 1st dose of J&J 2 weeks prior to first in-person activity. Wear approved mask at all times, except when actively skiing	If attending clinic on 12/5/2021, must receive final dose by 11/20/2021
Students Ages 12+	<u>Vaccinated:</u> 2nd dose of Pfizer/Moderna or 1st dose of J&J two-weeks prior to first in-person activity Wear approved mask at all times, except when actively skiing Or <u>Test:</u> Negative COVID-19 PCR test taken within 72 hours of each in-person event. Wear approved mask at all times, except when actively skiing	If attending first day of class on 1/9/2022, must receive final dose by 12/26/2021
Students Under 12	No vaccination or testing requirement** Wear approved mask at all times, except when actively skiing	

*Remember to bring verification of vaccine to first in-person event

**Subject to change according to CDC and state approval of vaccination

Verification Process:

- Acceptable proof of vaccination includes CDC vaccine card, photo of CDC vaccine card (front and back), or WA State Immunization certificate. Digital verification can be downloaded at <https://waverify.doh.wa.gov/>
- All vaccinated students will present their proof of vaccination to their instructor to verify on the first day of class.
- All unvaccinated students 12+ years of age will present their negative PCR COVID-19 test to their instructor at the beginning of each class.
